

NOTHING LIKE IT

Ever Before Known. A New Catarrh Cure Which Accomplishes Marvelous Results.

AN INTERNAL REMEDY

A Pleasant Tasting Tablet; Simple, Convenient; Cures Every Form of Catarrh.

Rapidly Replacing the Old Methods of Treatment

Cures Catarrh of the Head, Throat, Bronchial Tubes; Catarrh of Stomach and Catarrh Wherever Located.

A FEW FACTS

About the New Catarrh Cure.

The new Catarrh Cure is a new departure in so-called catarrh cures, because it actually cures, and is not simply a temporary relief.

The new Catarrh Cure is not a saline, ointment, powder nor liquid, but a pleasant tasting tablet containing the best specific for catarrh in a concentrated, convenient form.

The old style of catarrh salves and ointments are greasy, dirty and inconvenient at the best; the new preparation being in tablet form is always clean and convenient.

The new Catarrh Cure is superior to Catarrh powders because it is a notorious fact that many Catarrh powders contain cocaine.

The new Catarrh Cure is called Stuart's Catarrh Tablets, a whole-some combination of blood root, benzoin, opium, and other antiseptics, and cures by its action upon the blood and mucous membrane, the only rational treatment for catarrh of the throat.

You do not have to draw upon imagination to discover whether you are getting benefit from Stuart's Catarrh Tablets; improvements and relief are apparent from the first tablet taken.

All druggists sell and recommend them. They cost but five for full-sized packages, and any catarrh sufferer who has wasted time and money on sprays, salves and powders, will appreciate to the full the merit of Stuart's Catarrh Tablets.

YOU CAN CURE IT.

A New Cure For Catarrh in Tablet Form.

The old time treatment for catarrh was in the form of douches or sprays; later on, internal remedies were given with greater success, but being in liquid or powdered form were inconvenient and were open to the same objection to all liquid remedies, that is, they lose whatever medicinal power that they may have had on exposure to the air.

The tablet is the ideal form in which to administer medication, but until recently no successful catarrh tablet had ever been attempted.

At this writing, however, a most excellent and palatable remedy for catarrh has been placed before the public and sold by druggists, called Stuart's Catarrh Tablets, composed of the most recent discoveries in medicine for the cure of catarrh, and results from their use have been highly gratifying.

Stuart's Catarrh Tablets contain principally highly concentrated antiseptics, which kill the catarrh germs in the blood and mucous membranes, and in this respect are strictly scientific and modern, as it has been known for some years past by the ablest physicians that the most successful catarrh treatment was by inhaling or spraying antiseptics.

The use of inhalers, douches and sprays, however, is a nuisance and an inconvenience, and moreover can in no wise compare with the convenience given in tablet form, either in efficacy or convenience.

A clerk in a prominent insurance office in Pittsburgh relates his experience with Stuart's Catarrh Tablets in a few words to the point. He says: "Catarrh has been afflicting me constantly with me for eight years; in this climate it seems impossible to get rid of it. I awoke every morning stuffed up and for the first half hour it was cough, gag, expectorate and sneeze before I could square myself for my day's work. My appetite and my foul breath which annoyed me exceedingly."

"I used Stuart's Catarrh Tablets for two months and found them not only pleasant to take but they did the business, and I am sincerely recommending them to all catarrh sufferers."

A LIFE COMPANION

And a Very Undesirable One.

With thousands of people in this climate, catarrh is a constant and life long companion; it gets better at times, but each year becomes gradually deeper seated and after a time the individual resigns himself to it as a necessary evil.

Catarrh cures are almost as numerous as catarrh sufferers, but are nearly all so inconvenient and ineffective as to render their use a nuisance nearly as annoying as catarrh itself.

It would seem at first glance that catarrh being a disease of the mucous membrane that salves, sprays, etc., being applied directly to the membranes would be the most rational method but this has proven not to be true.

The mucous membrane is made and repaired from the blood and catarrh is a blood disorder, and a remedy to be permanent must act on the blood and when purified from catarrhal poison the secretions from the mucous membrane will become natural and healthy.

There are a number of excellent internal remedies for catarrh but probably the best and certainly the safest is a new remedy composed of Eucalyptol, Hydrastis, Sangrinarin and other catarrh specific. This remedy is in tablet form and sold by druggists under the name of Stuart's Catarrh Tablets and anyone suffering from catarrh may use these tablets with absolute assurance that they contain no cocaine nor poisonous minerals whatever.

A leading druggist in Cleveland, speaking of various catarrh cures, says: "I have sold various catarrh

cures for years, but have never sold any which gave such general satisfaction as Stuart's Catarrh Tablets. The contain in a pleasant concentrated form all the best and latest catarrh remedies, and catarrh sufferers who have used douches, sprays and salves, have been astonished at the quick relief and permanent results obtained after a week's use of Stuart's Catarrh Tablets."

Druggists sell Stuart's Catarrh Tablets at five for full-sized packages. Ask your druggist and if he is honest he will tell you there is no safer, more palatable, more efficient and convenient remedy on the market.

IT IS IMPORTANT

To Know What You Are Taking When Using Catarrh Medicines.

Catarrh is the short route to consumption, and the importance of early and judicious treatment of catarrh, whether located in the head, throat or bronchial tubes, cannot be too strongly emphasized.

The list of catarrh cures is as long as the moral law and the forms in which they are administered, numerous and confusing, from sprays, inhalers, washes, ointments, and salves, to powders, liquids and tablets.

The tablet form is undoubtedly the most convenient and most effective, but with nearly all advertised catarrh remedies it is almost entirely a matter of guess work as to what you are taking into your system, as the proprietors, while making all sorts of claims as to what their medicines will do, always keep it a close secret as to what they are.

The success and popularity of the new catarrh cure, Stuart's Catarrh Tablets, is largely because it is not only cures catarrh but because catarrh sufferers who use these tablets know what they are taking into their systems. Stuart's Catarrh Tablets being composed of Eucalyptol, Hydrastis, Guaiacal and similar valuable and antiseptic ingredients, and are pleasant to the taste and being dissolved in the mouth they take immediate effect upon the mucous lining of the throat, nasal passages and whole respiratory tract.

The cures that Stuart's Catarrh Tablets have accomplished in old catarrh sufferers who use these tablets short of remarkable and the advantage of knowing what you are putting into your stomach is of paramount importance when it is remembered that the cocaine or morphine habit has been frequently contracted as a result of using secret catarrh remedies.

A DAILY NUISANCE.

A Simple Remedy Which Will Interest Catarrh Sufferers.

In its early stages catarrh is more of a nuisance than a menace to the general health, but sooner or later the disease extends to the throat, bronchial tubes and even to the stomach and intestines.

Catarrh is essentially a disease of the mucous membrane, the local action being a profuse discharge of mucus, stoppage of the nasal passages, irritation in throat, causing coughing, sneezing, gagging and frequent clearings of the throat and head.

The usual treatment by local douches, snuffs, salves, etc., often gives temporary relief, but anything like a cure can only be obtained by a treatment which removes the catarrh from the blood and the disappearance of the inflammation from the mucous surfaces.

A new remedy which meets these requirements and which so far has been remarkably successful in curing catarrh is Stuart's Catarrh Tablets.

These tablets act upon the blood and mucous membranes only. They can hardly be called a secret, present medicine they are composed of such valuable remedies as Sangrinarin, Hydrastis, Eucalyptol and similar cleansing antiseptics, which cure by eliminating from the blood and mucous surfaces the catarrhal poison.

Stuart's Catarrh Tablets are large, pleasant lozenges taken slowly, allowing them to dissolve slowly in the mouth; in this way they reach the throat, fauces and the entire alimentary canal.

If desired, they may also be dissolved in water and used as a douche, in addition to the internal use, but it is not at all necessary to use a douche; a few of them dissolved in the mouth daily will be sufficient.

HAVE YOU ANY OF THESE

Symptoms of a Very Common Trouble?

There is no disease so common in the United States as catarrh, because it appears in so many forms and attacks so many different organs.

It is a common mistake to suppose that catarrh is confined to the nose and throat. Any inflammation of the mucous membrane wherever located, accompanied by abnormal secretions, is catarrh. Catarrh of stomach or bladder, or intestines is nearly as common as nasal catarrh and much more serious although it is true that stomach catarrh and ca-

tarrh of other internal organs is the result of neglected nasal catarrh.

A new remedy has recently appeared which so far as tested seems to be remarkably effective in promptly curing catarrh, wherever located. The preparation is sold by druggists generally under name of Stuart's Catarrh Tablets, and in addition to being very palatable and convenient, possesses extraordinary merit, in many cases giving immediate relief from the coughing, hawking and constant clearing of the throat and head, those symptoms with which everyone is familiar who has suffered from colds in the head and throat.

Catarrh is simply a continuation of these symptoms until the trouble becomes chronic and grows gradually worse from year to year.

Stuart's Catarrh Tablets are composed of Hydrastis, Eucalyptol, Guaiacal and similar antiseptics and catarrh specific, from which it will be seen that no secret is made of the ingredients and also that no mineral poisons are used, as in the case with many well known catarrh medicines.

For catarrh of the nose, throat, bronchial tubes, for catarrh of stomach, intestines, bladder no preparation is so safe and gives such rapid and permanent results as Stuart's Catarrh Tablets.

All druggists sell them at five for full sized package. You can use them with assurance that you will not contract the cocaine or morphine habit as the results from this catarrh cure are apparent from the first day's use.

ROYAL ARCANUM.

Omaha Arcanumites to Build a Hall.

Omaha Arcanumites to Build a Hall. Council Chapter No. 1, Omaha, is planning to build a hall to be used exclusively for lodge meetings.

The plan agreed on is for a two story brick building, on the ground floor of which will be entrance hall, banquet hall, parlors, reception rooms, kitchen, toilet and cloak room. The rear will be an auditorium with a stage, the same as a theater. This auditorium will be 65 by 132 feet, will seat 600 people and have a capacity for 1,000. On the second floor will be the finest ballroom in the state. It will be 65 by 132 feet, with all the floor space available, the band stand being suspended from the ceiling. The lodge room, 37 by 44 feet, will also be without a post or pillar in it, with elevated seats as in a theater. There will be three ante-rooms, the smallest being 14 by 20 feet. Five separate property rooms will be provided for different lodges to whom the hall may be rented. The whole will make the second story ballroom in the state, being second only to the Masonic temple. The estimated cost of the building is \$17,000.

The supreme secretary has undertaken the task of collecting the name and address of every member in the order; so that when an official circular is issued it may be sent directly to the members without operating all the red tape now in use.

The Royal Arcanum fair recently held in New York netted the Hospital End Fund association about \$10,000.

The Ohio supreme court has decided that divorced wives cease to be beneficiaries as soon as divorced.

New Britain council is one of the finest in Connecticut, composed of active business men of high repute in the community. They were so well posted in the order that they only lost one member on account of the change of rates.

The council at Sing Sing furnished a new hall and then held a fair to raise money to pay the bills.

Elmira council recently celebrated its twentieth anniversary by initiating 20 new members.

UNITED WORKMEN.

St. Louis Working For a Big Initiative.

The A. O. U. W. is booming in St. Louis, having received an endorsement as a social organization composed of the master workman and two representatives from each lodge, who have stirred up the members to renewed activity and interest in the order. They have conceived the idea of having a large class initiation some time in the latter part of December, and are in talk of having as many as 1,000 candidates to initiate, and to that end the association asks the hearty co-operation of every brother to make the affair a grand success.

Grand Foreman Morghan of New York is enthusiastic over the work of Flower City lodge of Rochester, of which he is a member. Twenty-seven new members in seven months is the record.

More than 100 lodges of Greater New York have joined forces to give a grand entertainment and reception Jan. 25.

The aggregate membership is rapidly approaching the 400,000 mark.

KNIGHTS OF PYTHIAS.

Cheap and Safe Life Insurance.

The endowment rank of the order is furnishing insurance at the lowest possible cost at which the business can be done with safety, providing indemnity at less than one-half that charged by insurance companies and adding to a surplus fund which is put away for a rainy day. It is making no special assessments and never will. Michigan Knights.

Remember that for a member who is not over 30 years of age a \$1,000 insurance can be secured by the payment of 80 cents per month in the endowment rank.

A new company of the uniform rank in New York has been organized at Penn Yan.

It costs only \$2.40 per month to obtain a certificate for \$3,000 in the endowment rank.

Every lodge should make an effort to organize a section of the endowment rank.

Knights of Malta. Chosen Knights commandery, stationed at York, has a membership of 470, making it the largest commandery in America.

The reading reception committee, which is already hard at work preparing for the annual convocation of the grand commandery in May, 1900, has \$175 in gold to be distributed in prizes to the best drilled, largest, fully equipped com-

manderies and to the one coming the longest distance.

Foresters of America.

There are 216 subordinate courts in Pennsylvania, 115 of which are in Philadelphia.

The largest number of Foresters in America is in New York. The new laws adopted by the supreme court went into effect Dec. 1 in all subordinate courts in the United States.

National Union.

The surplus in the mortuary fund on Nov. 1 amounted to \$225,000, consequently the assets are all that will be levied this year.

Allegheny council of Pittsburgh intends to have a class of 50 for the last meeting in December. Over 25 have already been secured.

MASONIC.

Spread the Cement of Brotherly Love—Treatise on Designs. This beautiful work of ours needs only universal brotherly love to transform it into a paradise. Let us then spread the cement of brotherly love and affection freely and everywhere, binding up the wounds of the afflicted and raising the fallen.

And while we may rise in beauty, let those who have been presented with the trowel use it to implement right and do all in their power to bring about the glorious consummation for which all good men pray.

Let us build our spiritual temple that they may rise in beauty and eternal, spreading carefully the cement that will outlast the ravages of time—Masonic Standard.

Columbus Masons dedicated their fine new temple recently. Governor Bushnell and other prominent Masons delivered addresses.

Superintendent J. W. Parsons of the Ohio Masonic hall estimates that he now has on hand enough money to defray the expenses of running the institution until the grand bodies meet again in October, 1900. The amount is about \$20,000.

W. A. Davis has been re-elected grand master of Masons in Georgia and W. A. Wolcott grand secretary.

W. H. Hastings is grand master of the Order of the Eastern Star in Ohio and Ella B. Shearer grand secretary.

Punctuality is an important qualification to be considered in the selection of lodge officers.

The Canadian grand lodge sustains its charities liberally. It devotes 65 per cent of its income to that purpose.

The Masonic lodge of Wisconsin have raised about \$10,000 for the relief of sufferers from the recent cholera epidemic. The Eastern Star chapters raised about \$1,200.

Cincinnati chapter of Royal Arch Masons recently celebrated its one hundredth anniversary.

The grand lodge of Oregon enunciated the right principle when it declared "that the right of a distressed worthy brother to claim relief grows out of the fact of his being a Mason, and not out of the fact of his having contributed to the funds of any particular lodge."

ODD FELLOWS.

Expenses of the Sovereign Grand Lodge Session—Notes.

The receipts of the sovereign grand lodge for the present year, as estimated, will amount to \$22,125 and the expenditures at \$35,100.92 and show the total expense of the Detroit session to have been \$34,944.24. Of this large sum no less than \$27,024.20 was paid out for mileage and per diem. This is a great sum, and many good Odd Fellows question the wisdom of this large annual expenditure.

The grand master's wife of Colorado is not a Rebekah, and the Rebekah society president's husband is not an Odd Fellow.

During the year 87,546 members were relieved from the sick fund, and the amount paid for such relief was \$2,111,648.

The grand lodge of Vermont has enacted that no subordinate lodge be visited by either the grand master, deputy grand master or grand warden during the ensuing year.

The Rebekah assembly of Kansas at its recent session presented jewels to two of its past presidents.

Every subordinate encampment must have a copy of the Bible in the encampment room while such body is in session.

It is a violation of the laws of the order for a candidate for initiation to be visited by either the grand master, deputy grand master or grand warden during the ensuing year.

The Patriarchs Militant ritual requires the bestowal of a regulation badge upon the candidate and from him an obligation to wear it. No candidate should furnish the badge.

Pennsylvania has over 106,000 members of this year in relief \$583,820. New York has 79,052 members and paid in relief \$310,514. California, with 30,373 members, paid for relief \$262,108.

In case two Rebekah lodges are organized from the same subordinate lodge they should both be accorded the same privileges by the said subordinate lodge.

A Rebekah assembly cannot authorize or permit its members to wear other regalia than that prescribed by the sovereign grand lodge.

Maccabees.

Ohio wants to begin the new year with a membership of 40,000; present membership, 38,218—24,910 Knights, 12,308 Ladies.

Better time than now to start the wave of prosperity rolling among the Maccabees—200,000 more.

Wanted—Good, industrious and hustling workers for Maccabee work in the states of Tennessee and Arkansas. A splendid field and a good chance to work in the sunny south, avoiding the cold wintry blasts.

Water City, Tenn., with 230 members, is the largest tent in Nebraska.

Knights of Honor.

Do not leave the work of upbuilding the order to the member next to you. Do a little yourself.

To get young men, push them ahead. Get them into grand lodges and into the supreme lodge and let them see our order's future depends on them.

Some members are inclined to think that as long as they pay their assessments they need give no further thought to the order, but if all did that little progress would be made, and all fraternities would go to pieces on such a plan.

Royal Society of Good Fellows. There will be a mass meeting under the Massachusetts jurisdiction in Boston about the middle of December. Admiral Sampson, Governor Wolcott, Mayor Quincy, William M. Olin, secretary of state, Lieutenant Governor, Elmer John L. Bates, Senator Charles H. Innes and Frank P. Bennett have all accepted invitations to speak. A musical and literary entertainment is being arranged.

Pandora, so runs the myth, let all the life of life out of her box to prey upon mankind, but shut the cover soon enough to prevent the escape of hope. Hope remains to every sufferer but it is only an ignis-fatuus unless it takes on some tangible form. The hope of recovery is treasured by every one who suffers from weak or bleeding lungs, obstinate and lingering cough, bronchitis or similar ailments, which, if neglected, or unskillfully treated lead on to consumption. That hope becomes a practical and tangible thing when it is based on the use of Dr. Pierce's Golden Medical Discovery. Such a hope is reasonable because thousands of men and women emaciated and weakened by disease have been made sound and well by the use of "Golden Medical Discovery."

Self people are invited to consult Dr. R. V. Pierce, Buffalo, N. Y., by letter. All letters are carefully and conscientiously read and answered. Each letter is held as a sacred confidence and every answer is mailed in a plain envelope without any printing upon it. Write without fear and without fee.

"I was taken sick in July last year, and was not able to do any kind of work until November. I was suffering from a severe case of catarrh of the stomach, and was losing my weight rapidly. I had been using various remedies, but nothing seemed to do me any good. I then read of Dr. Pierce's Golden Medical Discovery, and decided to try it. I had not long before I was taken down, I then called on a doctor, who attended me for two months, and said that one half of my left lung was gone, and advised me to use Dr. Pierce's Golden Medical Discovery. I had not long before I was taken down, I then called on a doctor, who attended me for two months, and said that one half of my left lung was gone, and advised me to use Dr. Pierce's Golden Medical Discovery.
